TJÆRALIN INTERIØRBEIS

FREMHEVER TREVERKETS NATURLIGE SKJØNNHET

Tjæralin Interiørbeis er en vanntynnet matt oljebeis til innendørs bruk. Produktet er beregnet for nytt ubehandlet treverk, der det ønskes et vakkert utseende med ett strøk. For mindre innfarging, kan overflaten trekkes av med lofri klut. Tjæralin Interiørbeis fremhever treverkets naturlige utseende og gir en fantastisk lød. Fås i mange nydelige farger!

LA NATUREN INSPIRERE

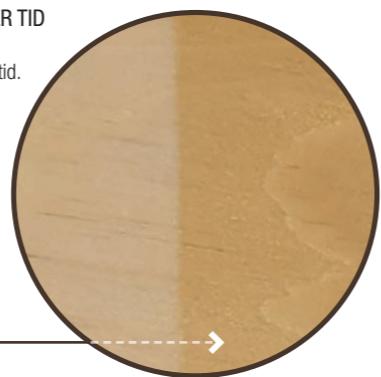

Dette fargekartet er satt sammen av våre vakreste interiørbeis-farger. Vi har hentet inspirasjon fra både fjell og sjø. Fargepaletten består av brune, grå og lyse toner som gir deg muligheten til å skape et vakkert rom det er godt å oppholde seg i.

TREVERK VIL ENDRE SEG OVER TID

Treverk vil mørkne og gulne over tid. Underlaget kan påvirke fargen. Derfor er det viktig å teste fargen på en liten del av veggen før du går i gang med å beise hele.

VEGG & PANEL

A smooth water-based interior paint that can be used as a base coat for building panels, glass fiber, millboard, wallpaper, sparkles, plaster, murals and concrete. Vegg & Panel has a very good adhesion, is easy to apply, covers well and is washable. Gloss 15.

MARCOPOLI

A decorative water-based paint that gives a slightly metallic appearance. Can be used on gypsum, sponge, wall or panels that are tapestryed tidligere. The product covers with one stroke and can be applied with a brush, roller or sponge. Marcopolo is available in 5 colors: gold, silver, bronze, copper and aluminum.

MARCOPOLI SABLE

A matte effect paint that gives the same appearance as chalk paint, but is easier to apply! The product covers with one stroke and can be applied with a brush, roller or sponge. The base must be primed with a matte paint. Marcopolo Sable is water-based and dries quickly.

TJÆRALIN' INTERIORBEIS

A water-based matte oil-based paint for indoor use. It is intended for untreated woodwork, where it is desired that a clear appearance is maintained with one stroke. The paint emphasizes the natural appearance of the wood and gives a fantastic look. There are many nice colors!

FROYA TAK & VEGG

An acrylic-based matt water-based interior paint that can be used as a base coat for gypsum panels, glass fiber, millboard, wallpaper, sparkles, plaster, murals and concrete. Roof & Wall is washable, easy to apply, and does not spray. Comes in gloss 02 and 10.

FROYA DØR & LIST

An acrylic-based semi-gloss water-based interior paint that can be used on doors, windows, frames, furniture and paneling. Door & List is an exclusive paint based on new technology with good gloss. The paint has a good adhesion, is easy to apply, and is very durable, especially when it is slit.

Gloss 40.

MARCOPOLI LUXURY

A decorative interior paint that creates a unique atmosphere. With a simple application technique, you can create fine effects from light and reflections. Marcopolo Luxury is available in 4 colors: gold, silver, white and aluminum.

FONTEGO

A matte decorative interior paint that creates a unique flannel and sandblasted, metallic effect. The product is suitable for both classic and modern styles. Very easy to apply. Let your imagination run wild and create sophisticated effects that are perfect for all interior styles.
